

Getting Started with Native Plants

PLANT NATIVE SPECIES TO SUPPORT
A HEALTHY WEB OF LIFE IN BEMIDJI

May 22nd Workshop: This is a community event that helps locals become familiar with the Top 10 Native plants and teaches them how to get started with incorporating these plants into your gardens! Also, you will be assessing a site, and then selecting plants to fit that site.

Location: American Indian Resource Center, Room 128

Time: 3:00pm—5:00pm **Cost:** \$5.00 **Class limit:** 25 person max

May 30th Workshop: Enjoy a short presentation by Diana Kuklinski and Erika Baily Johnson. Then we will go across the street and do a hands on planting in the sidewalk planter. We will be using plants from the Top 10 to demonstrate incorporating native plants in your garden. Bring Garden Gloves

Location: Library Park **Cost:** \$10.00/person & Includes Boxed Lunch

Time: 12:00pm—1:00pm

Registration: website www.ci.bemidji.mn.us
or in person at Public works/City Hall.
